Much time was spent discussing the planning proposal for the houses in Earby Parish between Sough and Earby and the houses in the field next to White Leys going over Klondyke.

25.08.05.10 Planning Matters

10.1 25/0256/FUL Change of use from a Children's Day Nursery to a Café Bar (Sui Generis)
Cllr Elley advised that as Council was no longer quorate a discussion could still take place, but no decision could be taken. Cllr Ashley had consulted with Debbie Richardson for advice in relation to the Neighbourhood Plan. Brook Farm is a non-designated Heritage Asset and there is nothing in the plan that would cause any objection. As there are no changes to the building it will retain its historical look and meets all the criteria within the neighbourhood plan. It was felt that it would promote well being given that the village had lost its post office and shops.

To note that had council been quorate a positive decision would have been resolved.
