#### **11.2 Unallocated Grant Money from WCAC**

Cllr Ashley has spoken to David Whipp regarding a potential virement proposal to use the grant money for 'something' within Sough Park. One thought was that planting perennials in the flower beds around the War Memorial might be an option. It was also suggested that providing funding for the cleaning of the War Memorial may also be an option.

**Resolved:** Defer a decision on the virement proposal for planting until the next meeting and the Clerk to contact ETC regarding cleaning costs for the War Memorial.

### **25.20.11.12 Asset Register**

#### **12.1 Handyman**

Cllr Ashley has spoken to the interested person who has agreed in principle to work for Kelbrook including the Playground Inspections albeit it is a contracted payroll position as he currently works for Barnoldswick Town Council and Salterforth Parish Council.

**Resolved:** To arrange a meeting in January 2026 to discuss the Parish Council needs and contract etc.

**Resolved:** To place Hazard Tape on the affected bench to stop pedestrians from sitting on it until a solution could be found.

### **12.4 Bus Shelter cleaning in general and roof condition to the East bound Sough Shelter**

Cllr Elley confirmed that Gary Rhodes will be providing an appraisal on the roof condition and suggested solutions if there is an issue. Cllr Ashley has had 2 quotes for cleaning the shelters as follows: First Quote from a power washing company which was £80 per shelter for the first clean. Subsequent cleans would be £40 per shelter. Second quote from the same person who clean ETC shelters was for £70 per clean of all the shelters and suggested cleaning them 4 x per year. A discussion ensued regarding what may be happening with the existing shelters as some kind of work looks imminent albeit at this point the extent of the work is not known.

**Resolved:** To approve the spend for cleaning of the shelters using the same company that ETC use without entering a contract until the fate of the current shelters is understood.

### **25.20.11.13. Christmas Trees and Lights**

#### **13.1 Lanterns and Battery-Operated Lights**

**Noted:** Lanterns, Lights and Batteries purchased with a total spend of £281.11 against a budget of £350.00. An opportunity to help make up the lanterns will be held in the 'Old Barn' on Sunday 23<sup>rd</sup> November from 11am. Community participation is welcome. The finished lanterns will be hung in Kelbrook and Sough as soon as the weather allows. Cllr Galway suggested offering any left-over lanterns to people in the bungalows behind the bus stop.

#### **25.20.11.14. SAPPP Assertion 10-Digital and Data Compliance and the impact on Parish Councils**

**Noted:** Easyweb attended the meeting to install .gov.uk email addresses on councillor devices.

#### **25.20.11.15. Defibrillator located outside Kelbrook Village Hall**

15.1 Cllr Mayers confirmed that the defib has been serviced and is now registered on the 'Circuit' with Cllr Elley as a registered guardian. It was felt that as the device is difficult to get into a 'How to Guide' might be useful for the Notice Board. Progress on the proposed training to be followed up by Cllr Elley.

#### **25.20.11.16 Sough Park – Beck Wall**

**Noted:** Work has now been completed by PBC albeit the residual stone has been thrown back into the beck.

#### **25.20.11.17 Asset Transfer Proposals from PBC**

#### **25.20.11.18 Free Swimming Scheme**

Council felt that the take up for this year had been very good and wish to continue to support the scheme.

**Resolved:** To support the Free-Swimming Scheme for 26\_27.

#### **25.20.11.10.7 Draft Budget for 2026-2027 (previously circulated)**

The RFO presented the budget explaining that the presentation for v2 had changed to make it easier to understand. Consisting of 25-26 Full Year Forecast and 26-27 Budget Proposal with assumptions. For precept purposes the budget has been split into Council Administration, Services/Amenities. Ear marked Grant Funding is also a consideration in next years budget including carry over from 25-26.

RFO pointed out that based on the current numbers there was approximately £1,300 of unallocated precept money, but this did not include any donation to Sough Park or Plants etc. Council felt that there was no alternative to a Christmas Tree in Sough for the remainder of their tenure.

**Resolved:** To provide a Christmas Tree in Sough for the remainder of this Councils tenure.

Whilst council has a balance of ear marked reserves from incoming grants there are two grants available, one known, one assumed for 26-27 from WCAC. Already resolved to apply for 25-26 at October meeting.

Sough Park was discussed in detail as it is a valuable community asset. The effect of devolution was touched on as was asking David Whipp for a potential contribution figure, Council managing certain areas themselves including the possibility of planting flower beds. Council felt that ultimately it would not be a decision for David Whipp and that an amount should be agreed on given that it would be coming from reserves rather than precept.

RFO stated that the priority for Council should be budgeting for spending on the needs of the Parish first given that Sough Park is owned by PBC, pointing out that the detail was still open for discussion given that the budget and precept is required to be approved in January 2026.

Cllr Mayers pointed out that there would be no budget for Defibrillator maintenance as this had already been spent.

RFO confirmed that the Playground Inspection budget was based on moving to 2 weekly Inspections using in-house RoSPA qualified staff to do the job.

#### **25.16.10.17. Date of next Meeting**

The next meeting will take place on Thursday the 15th of January at 7pm.

The meeting closed at 7.55pm
