23.1 The previous minutes were approved. Proposed by G. Wilson and seconded by C Wheatley.

23.2 Actions from Minutes – see separate document on updated actions

23.3 Although we are unable to meet in person, we reviewed a number of photographs of views of the village and the following were selected. AJW48, AJW52, AJW90, DSC0297, DSC0819, DSC0840, DSC0965, DSC03487, DSC03492. Other photos were selected for the plan AJW95 (may be better as a photo of farming rather than a view), AJW106 (to be used at the end of the plan), Church 1. ACTION 23.1 AJW may have other photographs and panoramic views which he will send on to DR

23.4 GW has made more progress on the Landscape Character Assessment and hopes to have this completed soon. He is still writing up the details on history, trees and biodiversity.

23.5 DR has drafted a newsletter but it didn't say much so something more interesting needs to be added. DR will look to see if she can bring out some facts from the plan and include them.

23.6 DR has been contacting consultants to get quotes for assistance. So far, there has been no response so she will contact some additional consultants. [NOTE POST MEETING – a quote was received the day after the meeting]

23.7 As the village hall is still closed due to Covid and Tier 3 categorisation for Lancashire, the Steering Group agreed to continue to use Zoom for meetings. Dr will continue to send the links prior to each meeting.

23.8 There being no other business, the meeting was closed at 7.50pm.

Next Meeting – Wednesday 18th November at 7.00pm using Zoom.

A Wilson, Secretary
